

### Weddings & Quince at the Club House

In our club we can host spectacular social events such as weddings and quinces. Having our own in house chef, we can create customized menus to cater to any special occasion. We can host from a small family gathering to an elaborate gala at Doral Park Country Club. Our club is located in the City of Doral, in Miami-Dade County. We are a waterfront location with a center fountain that is beautifully illuminated at sundown. We are just miles from downtown Miami, with championship golf on property and a short 20-minute drive from Miami International Airport, area attractions, fashionable South Beach and easily accessible from most major highways. Doral Park Country Club would be ideal for an event such as yours.

We offer complete packages that include open bar, up to 5 course meals, linens, decorations and much, much more. Come in today to begin planning your special event. Our club members receive 10% off food & bar prices. We look forward to helping you make your special day unforgettable.
